## Biltmore Loan and Jewelry

### A Great Source for Extra Cash as Classic Car Owners

#### Prepare for January Car Auctions

Scottsdale, AZ — January 3, 2013 - Seven classic car auctions in the Scottsdale/Phoenix area are coming up this month. Many collectors are preparing to show their classic cars at one of the seven area auctions this year, but their prize car might have a few scratches, the paint could be faded, or the leather interior might be ripped. If a collector needs some extra cash fast to fix up their classic car, there is an answer....[Biltmore Loan](#), Scottsdale's upscale collateral lending business, which can provide a collateral loan on an auto title.

Justin Hagerty restores classic cars and is a regular customer of Biltmore Loan using auto titles as collateral to get loans to fix up his car. Prior to working with Biltmore Loan he had gotten loans through credit unions and his cash flow was limited to be able to show only one car at auction.

“Because of Biltmore Loan’s flexible terms and good rates, I have been able to grow my volume,” says Hagerty

Hagerty is participating this year in the Scottsdale International Classic Car Auction and will be showing three cars: a 1967 Cougar, a 1965 Mustang and a 1965 Chevy Impala. He fixes up his classic cars with loaned money from the auto title loans and

then pays the loan off when he sells that car. Hagerty has been very pleased working with Biltmore Loan and says “They are amazing to work with and they always make time for you. Prior to working with Biltmore Loan I had never used an auto title loan to get cash. I would highly recommend classic car owners to consider Biltmore Loan for extra cash flow.”

The seven area car auctions include: [Scottsdale International Classic Car Auction](#), January 14, 2013, [Russo and Steele](#), January 16-20, 2013, [Barrett-Jackson](#), January 13-20, 2013, [Bonhams’ Scottsdale Auction](#), January 16-17, 2013, [Gooding & Company](#), January 18-19, 2013, [RM Auctions](#), January 18, 2013 and [Silver Auctions](#) January 18-19, 2013.

“Your special classic car could need just a minor touch up to ready for auction,” says Marc Israel, General Manager, Biltmore Loan & Jewelry. “However the banks are not lending.”

If collectors have that rare car in their garage and just need to make a couple of fixes so it’s ready for auction, Biltmore Loan can help with auto title loans for collectors to fix up their cars. “Now is the time to contact [Biltmore Loan](#) to get that extra cash you need. You might hold the key to the next great car,” continues Israel.

Biltmore Loan provides quick available financial products including lending at fair terms and cash buy out of classic cars.
